

**REMARKS**

As indicated, fuel flow field Claims 16, 17, 20, 23, 24, 27, 29, 30, 34, 36, 38 and 45 have been elected for immediate prosecution. The claims are to be restricted to this species if no genetic claim is held to be allowable.

For ease of consideration and examination Claim 16 has been amended to appear in independent form and the remaining elected dependent claims have been amended so as to depend directly or indirectly from amended Claim 16.

Applicants note that Claims 1 to 15, 32, 33 and 42 are considered to be generic. Applicants further note with appreciation that upon allowance of a generic claim, claims directed to additional species are to be considered which depend or otherwise require all of the limitations of the allowable generic claim. Such action is respectfully requested.

The examination and allowance of the Application are respectfully requested.

Respectfully submitted,

BUCHANAN INGERSOLL & ROONEY PC
